Message From the Office

Dear families,

Thank you to all of our families who were able to attend our annual BBQ and Meet and Greet! What a beautiful evening we were blessed with. Should you have any questions or concerns regarding your child's educational experience, please ensure that the classroom teacher is the first point of contact.

Pick up

Please ensure that any changes to your child's method of pick up be communicated with the office and the classroom teacher. We understand this can be time consuming however, it ensures that your child's safety is properly managed. If there is no written indication of a change, student's will always be put on the bus. We thank you for your understanding.

School Council

Your continued support is crucial in helping us provide the tools and experiences that enrich your child's education. From Chromebooks and Smartboards to artists-in-residence and school-wide projects, these opportunities are made possible through the efforts of our school council.

That said, we are currently in need of **two or more people** to step into executive roles to ensure we meet the requirements that govern our fundraising activities. If you are interested, please reach out to me at chantel.woldanski@ecsd.net

Please mark your calendars for two important upcoming dates:

Seeking Board Game donations!

We are seeking donations of gently used board games for our indoor recess bins.

If you have some student appropriate games that you are no longer using, we would love to add them to our collection. Simply have your child bring the gently used board game to the office and we will take care of the rest! Thank you for helping us create fun activities for our students during those not so fun indoor days.

Student Birthday Celebrations

shutterstock.com - 240100213

At St. Stanislaus, we celebrate each student's birthday with fun classroom activities instead of treats. This helps promote healthy habits, reduces sugar intake, and allows us to focus on honoring each child's special day.

To support this, we kindly ask that families do not bring treats for the class. However, you are welcome to send a special treat for your child to enjoy on their birthday.

St. Stanislaus is happy to offer a program called "Birthday Book Club" where students in Grades 1-6 are able to share a birthday meal with friends and a book is donated to our school library on their behalf. During your child's birthday month, the school will send out information on how and when to register for this special celebration!

Thank you for your cooperation and understanding!

The Use of Personal Devices at St. Stanislaus

The use of cellphones, Smartwatches and tablets is not permitted at any time on school grounds at St. Stanislaus. Further details on our personal devices policy can be found in the front matter of the student agenda and on our website.

PICK UP and DROP off

If there will be a change to your child's usual pick up, please email the classroom teacher. If your it has not been communicated to the teacher, your child will be put on the bus. Additionally, if there is not a guardian present at the time of pick up children will be put on the bus.

During morning drop off and afternoon dismissal, please do not park in front of the school as this serves as our bus lane.

A friendly reminder that the parking lot at GREENFIELD COMMUNITY LEAGUE is for the community league only and we kindly ask that you do not park in their lot. For drop off and and pickup please consider using 113th street to the east of the school.

Supervision begins at 8:15 a.m. students will not be permitted to enter the building before that time. Supervision concludes at 3:25 p.m. (12:15 on Thursdays)

Thank you for your cooperation!
